

EXCLUSIVE WINE TOUR

Grapes, History, Tastings

Christchurch - Waipara Valley - Christchurch

Tour code: WT03

You will be collected by your guide and driven north of Christchurch to Waipara Valley. The valley is home to many vineyards that thrive on the broad range of soil types including gravelly deposits to limestone soil and alluvial subsoil.

The Teriotdale hills provide shelter from the volatile weather and also captures the sun which in turn produces an expansive award winning wines. The Waipara region is known for producing unique Pinot Noir and Rieslings.

Depending on the season and weather, your guide will take you to a selection of wineries where you will be able to experience the diverse range of different wines. Having the opportunity to speak to experienced wine operators will provide you with a comprehensive insight into each vineyard. Many of the vineyards are focused on sustainable viticulture and have gained recognition globally.

Along the way you will stop off for lunch at one of our local restaurants where you will be able to experience fresh local produce where generally the menu is prepared around the wine lists. After lunch we will make our way back to Christchurch where you will then be dropped off to your accommodation and your
